## THE OUT HAUL WINCH

As Mentioned by  
Bob Smith in  
"One-Design Yachtsman"

**Made By A Penguin Sailor, For Penguins!**

Its worm gear construction allows for positive adjustments. The removable pulley drum makes installation a cinch, while the shape of the drum prevents the wire from spinning free once set. It is designed for 1 16 or 3 32 wire for adjustments of better than 4 feet.

PRICE  
**\$10.00**  
PRE-PAID

**RIGGING, WIRE ROPE & HARDWARE**  
Terminals SWAGED up to 1 8 size, Nicopress work, all at low prices.
