1984 ANNUAL MEETING

The Annual meeting was called to order at 9:17 P.M., July 12, 1984, by President Joe Hall, at the Columbia Yacht Club in Chicago.

The following fleets answered the roll call: 1 Potomac, 2 Port Washington, 5 Richmond County, 49 Columbia, 57 Centernort, 72 Sea Cliff, 80 Skokie Lagoons, 81 Chicago Harbor, 150 Olivos, and 153 Niteroi.

2. Requested that the members encourage their Fleet Capts. or themselves to communicate more fully and regularly with the Penguin Patter Ed.
3. The Executive Committee has decided that the previously requested Sail Tax would not be cost effective and hence would not be implemented.

DOUG WEFER — INTERNATIONAL CHAMP
RICARDO DANTAS - JR. CHAMP

The Junior Races were held on July 9th and 10th with a total of four boats participating. Ricardo and Claudio Dantas from Brazil won the five race series.

The Seniors' Races were held on July 11th, 12th and 13th with a total of 27 boats participating. There were two general recalls on Wednesday, August 11th before the first race got underway but apparently every one got the message and these were the last general recalls of the series. Doug Wefer, the defending Champion was first in all three races on Wednesday. Bill Haggerty was second in the first race and Ricardo Dantas, the Junior Champion was third. Neil Litman was second in the second race and Mark Kastel was third. Dick Tennerstedt was second in the third race and once again Mark Kastel was third.

There were only two races on Thursday, July 12th, due to the lack of wind. Paul Wurtzbach won the first race and was followed by Doug Wefer and Mark Kastel.

The fifth race was captured by Ricardo Dantas. Second and third place went to Larry Cole and Steve Shepstone respectively.

On Friday morning the final race was taken by Ricardo Dantas, followed by Paul Wurtzbach and Doug Wefer.

All in all the 27 participants experienced a beautiful week of sailing with winds between 6-12 mph. The under one foot chop outside the harbor called for superb helmsmanship because of its' speed killing nature (short and steep).

Untypical for a major international regatta, there were few protests, and only 2 general recalls! This was attributed to both the yachtsman like conduct of the competitors and the excellent courses laid by the race committee.

Our thanks to all of the yachtsmen who made the effort to participate in this event. It was Columbia Yacht Clubs' pleasure to host it, and we all look forward to doing it again in the future.
